- (b) For any delay more than stipulated time as mentioned in 13 a (i & ii) as the case may be 1% of testing charges per day of the delayed reporting up to 30 days, beyond 30 days 50% of testing charges would be deducted as penalty.
- (c) All the tests mentioned in IP/ BP/ USP/ EU / BIS/ IS and any other standard mentioned as Per Drugs and Cosmetics Act 1940 and Rules 1945 as well as schedule V and manufacturer's specification should be carried out for each and every sample. The actual test value obtained after analysis should be clearly mentioned in the report figures/ & words of test/analysis. Amendments, Addendum, Corrigendum etc published to the reference monographs shall be taken in to account in the testing parameters time to time.
- (d) Every test report must have remarks (i.e.) Standard Quality or Not of Standard Quality.
- (e) Reports should be in A4 size paper of good quality.
- (f) Reports should have Sr. No. Description of tests, Specifications, Results
- (g) Spectra/ Chromatography/Dissolution profile or other data sheets, wherever applicable shall be furnished as per request of tender inviting authority.
- (h) All test reports should be uploaded to BMSICL e-Aushadhi portal. In case of failure of a sample, the result should be communicated immediately to the Managing Director through Phone / Fax / E-mail and the report should be sent with protocol.

- (i) If under any circumstances (like breakdown of instrument, non-availability of reference standard etc.) the Analytical Laboratory is unable to undertake analysis for samples, the same should be reported within 24 hours of receipt of such samples by FAX or E-mail and the samples should be returned to the Quality Control Section, Bihar Medical Services and Infrastructure Corporation Limited Patna. 100% of charges as penalty will be imposed in case no prior information of Breakdown of instrument or non-availability of reference standard is given to this office before sending samples.
- (j) Every care will be taken for proper packaging of the sample to ensure safe and intact delivery to the laboratory. If, however, any sample is received in a damaged condition by the laboratory, the sample should not be analyzed and the information should be sent immediately to the Bihar Medical Services & Infrastructure Corporation Limited, Patna by FAX or E-mail.
- (k) In the case of Non-Pharmacopoeia Products the Method of Analysis should be appended to the Report.
- (l) Test Results shall be uploaded through given website link followed by signed hardcopies.

14. Payment Provisions

- (a) No advance payments towards Analysis of drugs will be made.
- (b) Payments towards the Analysis of drugs will be made strictly as per terms and conditions laid down in the Tender document and the decisions of the Tender Inviting Authority. All payments will be made only by way of electronic fund transfer in favour of the laboratory.
- (c) All bills / Invoices should be uploaded to BMSICL e-Aushadhi portal.
- (d) If at any time during the period of contract, the testing fee of any items is reduced by the bidder himself or the taxes levied is brought down by any law or Act of the Central or State Government the bidder shall be bound to inform Corporation immediately about such reduction in the contracted prices. The tender Inviting Authority is empowered to unilaterally effect such reduction as is necessary in rates in case the bidders fails to notify or fails to agree for such reduction of rates.
- (e) The bidders shall be responsible for payment of any charges due to any statutory authorities such as Income Tax, Sales Tax, Service tax, and Customs Duties etc. In the event, if it is found that there is some statutory deduction to be made at the source, the Corporation will have the authority to do so.

15. Saving Clause

No suit, prosecution or any legal proceedings shall lie against Corporation or any person for anything that is done in good faith or intended to be done in pursuance of the tender.

16. Applicable Law & Jurisdiction of Courts

- (a) The contract shall be governed by and interpreted in accordance with the laws of India for the time being in force.
- (b) Any and all disputes arising out of this tender will be subject to the jurisdiction of law/ tribunals situated in Patna, Bihar only or the High Court of Patna only, as applicable.
- (c) The bidders are also required to abstain from printing the words“ subject to jurisdiction of Delhi Courts only’ etc from on the invoices submitted, which may force the Corporation to entertain the payment only after the bidders undertakes in writing his/ her agreeing to the conditions above in respect of the jurisdiction of the courts of Bihar.

17. Resolution of Disputes

- (a) In the case of a dispute or difference arising between the tender Inviting Authority and a bidders relating to any matter arising out of or connected with the contract, such dispute or difference shall be referred to the sole arbitration of Principal Secretary Health; Govt. of Bihar but if Managing Director/Principal Secretary is same then Dept. of Health will decide the arbitrator.
- (b) Venue of Arbitration: The venue of arbitration shall be Patna, Bihar, India.

18. Condition of Blacklisting and Procedure

- (a) Non performance of any tender or Empanelment conditions will disqualify a laboratory to participate in the next tender.
- (b) To assess the correctness of the analytical reports (being given by the Empanelled laboratories), random samples would also be sent to the Government Drugs Testing Laboratory /other 2 empanelled laboratories for testing and if any variation is found for a minimum of 3 times in assay and 4 times for parameters other than assay for any drug in a year, the empanelled laboratory shall be blacklisting for a period of 2 years from date of intimation besides forfeiture of the performance security.
- (c) If it is revealed that drug testing Laboratory is involved in any form of fraud and collusion with the suppliers of BMSICL, the drug testing laboratory will be black listed for Five (5) years.
- (d) **Tender** inviting authority will be at liberty to terminate the empanelment without assigning any reasons. The bidder will not be entitled for any compensation whatsoever in respect of such termination.
- (e) The successful bidders with draws from the contract during the period of contract, his security deposit will be forfeited, the contract will be terminated. And the laboratory will be blacklisted for a period of three years immediately succeeding the tender year making them ineligible to participate in any of the tender of the Corporation.

- (f) Non performance of any tender or Empanelment conditions, a registered notice shall be issued to the laboratory calling for explanation within 15 days from the date of receipt of notice. On receipt of the explanation from the Laboratory, the tender inviting Authority, may take appropriate action on merits of the case and impose blacklisting of the particular laboratory by passing appropriate orders.

19. Termination of Contract:

- (a) **Termination for default:** - The Corporation without prejudice to any other contractual rights and remedies available to it (the tender Inviting Authority), may, by written notice of default sent to the successful bidder (Empanelled laboratory), terminate the contract in whole or in part, if the successful bidder fails to perform any other contractual obligation(s) within the time period specified in the contract.
- (b) **Termination for insolvency:** If the successful bidder becomes bankrupt or otherwise insolvent, the Corporation reserves the right to terminate the contract at any time, by serving written notice to the successful bidder without any compensation, whatsoever, to the successful bidder (Empanelled laboratory), subject to further condition that such termination will not prejudice or affect the rights and remedies which have accrued and / or will accrue thereafter to the tender Inviting Authority.
- (c) **Termination for convenience:** - The Corporation reserves the right to terminate the contract, in whole or in part for its (tender Inviting Authority's) convenience, by serving written notice on the successful bidder (Empanelled laboratory) at any time during the currency of the contract. The notice shall specify that the termination is for the convenience of the tender Inviting Authority.
- (d) **Termination due to change of ownership, constitution, suspension/ cancellation of statutory approval/ certification, accreditation etc.**
- i) Where there is a change of ownership (in the case of sole proprietorship unit) of the Empanelled laboratory under contract, the contract will stand automatically terminated. The owner of the Empanelled laboratory shall inform the change of ownership to the tender Inviting Authority as soon as the change takes place. The new owner will be eligible for a fresh contract for the remaining period of the earlier contract with the former owner under the same terms and conditions on deposit of the performance security amount. Inspection of the unit will be the discretion of the tender Inviting Authority.
- ii) Where there is a change of constitution of the firm running the Empanelled Laboratory, the contract will stand terminated from the date of change of constitution if the person(s) responsible for the firm for the contract and its day to day operations change. In such an event the new firm will be eligible for further fresh contract for the remaining period of the earlier contract with the firm under the same terms and conditions. The performance security deposited earlier may be adjusted for the fresh contract on mutual agreement.
- iii) Where there is temporary or permanent suspension/ cancellation/ withdrawal/ revoking of the statutory approval/ certification/ accreditation on the basis of which the laboratory was empanelled and contract was awarded, the contract will stand terminated from the date of such action coming into force. Such termination may,

however, be withdrawn if the action is cancelled or stayed by any competent forum. It will be onus of the Empanelled laboratory to report any such action taken against it.

20. **General Guidelines for the submission of E-Tender**

Instruction/Guidelines for tenders for electronic submission of the tenders online have been annexed for assisting the prospective Tenderers to participate in e-Tendering.

- (a) **Registration of Tenderers:** Any tenderer willing to take part in the process of e-Tendering will have to be enrolled & registered with the Government e-Procurement system, through logging on to <https://eproc2.bihar.gov.in>. The prospective Tenderer is to click on the link for e-Tendering site as given on the web portal.
- (b) **Digital Signature certificate (DSC):** The bidder must have the Class II/III Digital Signature Certificate (DSC) and e-Tendering User-id of the e-Procurement websites before participating in the tendering process. The bidder may use their DSC if they already have the DSC. They can also take the DSC from any one of the authorized agencies. For user-id they have to get registered themselves on e-Procurement website www.eproc2.bihar.gov.in and submit their bids online on same. Offline bids shall not be entertained by the tender inviting authority for the tenders published in e-Procurement platform.
- (c) The Tenderer can search & download NIT & Tender Documents electronically from computer once he logs on to the website using the Digital signature Certificate. This is the only mode of collection of Tender Documents.
- (d) **Participation in more than one item:** A prospective Tenderer shall be allowed to offer rate as per his or her choice subject to fulfilment of conditions laid down hereinabove.
- (e) **Submission of Tenders:** General process of submission, Tenders are to be submitted through online to the website at a time for each work, one in Technical Proposal & the other is Financial Proposal before the prescribed date & time using the Digital Signature Certificate (DSC) the documents are to be uploaded virus scanned copy duly Digitally Signed. The documents will get encrypted (transformed into non-readable formats).

Note: Please number the documents with serial number on each and every page and do mention the total number of pages of bidding document. In technical Bid parallel assign, the corresponding page numbers of supporting documents. Any discrepancy or misrepresentation in this aspect will not be entertained.

AGREEMENT

THIS AGREEMENT made on thisDay of....., 20... between Bihar Medical Services Corporation Ltd represented by its Managing Director & (Tender Inviting Authority) having its registered office at Patna (hereinafter mentioned as “The BMSICL” or the Corporation of one part and M/s..... (Name and Address of the laboratory)(Hereinafter called as “The Empanelled laboratory” or the "Laboratory" in short) represented by..... (Name of the authorized signatory and Designation), aged Years, residing at..... (Full residential address of the signatory) of the other part.

WHEREAS the BMSICL had invited tender from eligible Analytical Laboratories for test and analysis of Drugs, Food and Surgical procured by it for supply to the healthcare institutions under the Health Department of Bihar as per the tender document Numberdated.....and had Prescribed eligible criteria and various terms and conditions for participation and presentation of the tender, and

WHEREAS The Empanelled Laboratory above has offered to the BMSICL to undertake analytical work of the list of items mentioned in the Annexure – IX and Annexure-X attached hereto, in accordance with the terms and conditions specified in the above said tender document, at the offered rates.

WHEREAS the tender Inviting Authority (BMSICL) has accepted the offer, and the Empanelled Laboratory has deposited with the BMSICL a sum of Rs.1,50,000/-(Rupees One Lac Fifty Thousand) as Security Deposit as per clause 12, the due and faithful performance of this Agreement and liable to be forfeited as liquidated damages in the event of the Laboratory failing duly and faithfully to perform its obligations set forth hereinafter.

In this agreement words and expressions shall have the same meanings as are respectively assigned to them in the tender document referred to.

Now therefore these presents witness that for carrying out the said Agreement in this behalf into execution, The Empanelled Laboratory and the BMSICL do hereby mutually covenant ,declare, contract and agree each of them with the other of them in the manner following, that is to say,

1. The term “Agreement”, wherever used in this connection, shall mean the terms and conditions stipulated hereinafter for the analysis of Drugs, surgical and other items for the period of three year.
2. (a) The agreement is for undertaking analysis of Drugs, Surgical items & Sutures items by the Empanelled Laboratory to the BMSICL of the samples specified in the Annexure-IX & X attached hereto at the rates noted against each therein on the terms and conditions set forth in

this Agreement and strictly within the time frame stipulated for the respective items in Clause 13(a) (i & ii) of the tender document.

- (b) This agreement shall be deemed to have come into force with effect from -----
---- (Date of execution of agreement) and it shall remain in force for a period of three years with effect from that date and may however be extended for a further of two years on mutually agreed terms signed by both parties.
 - (c) The time frame specified in Clause 13(a) (i & ii) of the tender document for the respective item shall be strictly adhered to by the Laboratory. Tests and Analysis of drugs and other items will be performed in accordance with the statutory standards such as IP, BP, USP, BIS etc and in the case of items for which no official standards, by applying such recognized or prescribed or authentic parameters of standard quality and the test reports shall reach the BMSICL within the maximum time limit specified in the tender document reckoned from the date on which the item to be tested is delivered to the Empanelled Laboratory, failing which the measures of penalty and others specified will be applicable.
 - (d) The test reports are to be submitted to the BMSICL on its e-Aushadhi Portal within the time period specified in Clause 13(a) (i & ii) of the tender document.
 - (e) In the event of any failure/default/deviations from the tender agreement on the part of the Empanelled Laboratory with or without any quantifiable loss to the BMSICL, the amount of the performance security is liable to be forfeited. If the Empanelled Laboratory withdraws from the contract during the period of contract, the security deposit shall be liable to be forfeited, the contract terminated and the Empanelled Laboratory shall be liable to be blacklisted for a period of three years immediately succeeding the tender year making them ineligible to participate in any of the offers/Tender of the Corporation.
3. In respect of the analysis of items in the Schedule, the Laboratory shall allow inspection of the laboratory at any time during the continuance of the contract period by a team of Experts/Officials whom the BMSICL may depute for the purpose. The laboratory shall extend all facilities to the team to enable them to inspect sample storage, reagents, instruments, all relevant records, analysis etc in the Empanelled Laboratory and also to take photographs of such facilities which shall not be used by the Corporation other than pursuance of actions under the terms and conditions of this contract and also of the tender document.
4. All expenses, damages and other moneys payable to the BMSICL by the Empanelled Laboratory under any provisions of this Agreement may be recovered from the amounts due or subsequently becoming due from the BMSICL to the Laboratory under this or any other Agreement. In case such amount are insufficient to fully cover such expenses, damages or other moneys payable. It shall be lawful for the BMSICL to recover the balance amount from the security deposit of the laboratory and all other money held by BMSICL and in case such security deposit is insufficient then it shall be also be lawful for the BMSICL to recover the residue of the expenses, damages and moneys, if necessary by means of legal proceeding against the Empanelled Laboratory.

5. The amount of security deposit remitted by the Laboratory to the BMSICL by way of Demand Draft/Bank Guarantee in favour of the Managing Director, BMSICL, Patna will be returned on successful fulfilment of the terms and conditions of this agreement without any interest.
6. (a) No advance payment towards any analysis will be made to the Empanelled Laboratory.
- (b) All bills/invoices should be uploaded in BMSICL e-Aushadhi portal. All payments will be made only by way of electronic fund transfer in favour of the Empanelled Laboratory for which bank details shall be furnished to the Corporation at the time of entering into agreement.
- (c) The Empanelled Laboratory shall furnish the test reports within:
- i) 10 days of receipt of the sample in case of Tablets, Capsules, Ointments, Cream, Gel, Powder and Liquid Oral Preparation and non-sterile surgical items (All non-sterile Dosage Form)
- ii) 21 days of receipt of the sample in the case of LVP / SVP, Injectable in Vial / Ampoules and Dry Powder Injectable, surgical items which require sterility test (All sterile Dosage Products).
- (d) The testing laboratory shall furnish reports of results of test or analysis in Form-39A prescribed under Drugs & Cosmetics Rules 1945.
- (e) If a Laboratory fails to submit the report of analysis within the above stipulated period penalty of 1% of testing charges per day of the delayed reporting up to 30 days, beyond 30 days 50% on the value of testing will be levied.
7. (a) Non performance of any tender or Empanelment conditions will disqualify a laboratory to participate in the next tender.
- (b) Proficiency testing of samples will be done on random basis in other laboratories or Govt. Laboratories of and any discrepancy of reports will be taken as non performance. For each such instance of non performance, no bills for performing the tests will be paid to the testing laboratory. For three such non performances in each year of the contract period, 25% of the security deposit will be deducted. For every subsequent non performance in each year 10% each of the security deposit will be deducted. If such non performances exceed six during in each year of the contract period, the testing laboratory will be removed from the empanelment and black listed for a period of 2(two) years.
- (c) If it is revealed that drug testing Laboratory is involved in any form of fraud and collusion with the suppliers of BMSICL, the drug testing laboratory will be black listed for Five (5) years.
- (d) Tender inviting authority will be at liberty to terminate the empanelment without assigning any reasons. The bidder will not be entitled for any compensation whatsoever in respect of such termination.

- (e) The successful bidder withdraws from the contract during the period of contract, his security deposit will be forfeited, the contract will be terminated. And the laboratory will be blacklisted for a period of three years immediately succeeding the tender year making them ineligible to participate in any of the offers / Tender of the Corporation.
 - (f) Non performance of any tender or Empanelment conditions, a registered notice shall be issued to the laboratory calling for explanation within 15 days from the date of receipt of notice. On receipt of the explanation from the Laboratory, the tender inviting Authority, may take appropriate action on merits of the case and impose blacklisting of the particular laboratory by passing appropriate orders.
- 8. If situation demands, the laboratory will have to provide a copy of protocol of tests being carried out by them, to the BMSICL office for further legal purpose.
 - 9. The empanelled laboratory shall have no right to demand at any time during the currency of the contract, at any minimum quantity of drugs, surgical & sutures to be tested.
 - 10. The Empanelled Laboratory shall not at anytime assign, sub-let or make over the present Contract or the benefits thereof or any part thereof, to any person or persons whomsoever.
 - 11. The following documents shall be deemed to form and be read and construed as part of this Agreement, viz.:
 - (a) All the documents submitted by the Empanelled Laboratory as a part of the tender offer,
 - (b) The Schedule of Requirements;
 - (c) The Specifications and other quality parameters;
 - (d) The clarifications and amendments issued / received as part of the tender Document.
 - (e) All correspondence as part of tender during or after the date of agreement accepted by tender Inviting Authority
 - 12. The terms and conditions specified in the tender document published by the tender Inviting Authority in acceptance of which the Empanelled Laboratory had presented the tender offer will apply in matters not specifically in this agreement.
 - 13. The tender inviting authority (BMSICL) reserves the right to accept / reject /cancel or defers the tender submitted for any or all items at any time and at any stage, without assigning any reason.

14. The Empanelled Laboratory and the Corporation mutually agree that any and all disputes arising out of this Agreement will be subject only to the jurisdiction of courts of law / tribunals situated in Patna or normally having territorial jurisdiction over Patna only or the High Court of Bihar as applicable and the provisions of Clause 16& 17 of the tender document are agreed to in full.

In witness whereof the parties hereto have caused this Agreement to be executed in accordance with their respective laws the day and year first above written.

227	Human Coagulation Factor IX 600IU (Dried powder for Injection)	Dried powder for Injection 600IU	
228	Human Normal Immunoglobulin for IV use IP Inj. 5gm/100ml	vial	
229	Human Normal Immunoglobulin for IV use IP Inj. 2.5gm/50ml	vial	
230	Human Normal Immunoglobulin IP Inj. 16.50%	2 ml	
231	Hydralazine Powder Injection 20mg/amp	1 ml Vial	
232	Hydrochlorothiazide Tablet 12.5mg, 25mg	12.5 mg	
233	Hydrocortisone Sodium Succinate Injection IP 100mg	vial	
234	Hydroxy Chloroquine Tablet 200mg, 400mg	10x10	
235	Ibuprofen Tablets IP 200mg, 400mg	10x10	
236	Ibuprofen oral liquid/Syrup 100mg/5ml	60 ml Bottle	
237	Imatinib Tablet IP 100mg	10x10	
238	Imatinib Tablet IP 400mg	10x10	
239	Insulin Glargine Injection 100 IU/ml	100 IU/ml	
240	Ipratropium Bromide Inhalation 0.02% solution	2.5 ml	
241	Irinotecan HCL Trihydrate Solution for Injection 20mg/ml		
242	Iron + Folic Acid (Ferrous Sulphate + Folic Acid Tablet) (Elemental Iron 45 mg+ Folic Acid 400 mcg (Sugar Coated Pink Tablet)	10x10	

243	Iron and Folic Acid Syrup IP (Each mL contains Ferrous sulphate IP 100 mg equivalent to elemental ferrous iron 20mg & Folic acid IP 100mcg or 0.1mg	50 ml Bottle	
244	Iron and Folic Acid Syrup IP (Each 5 mL contains Ferrous sulphate equivalent to 100 mg of elemental ferrous iron & 0.5 mg of Folic Acid.) (To be labelled as per Schedule V)	200 mL Bottle	
245	Iron and Folic Acid Tablets IP Small (Each Tablet Contains ferrous sulphate equivalent to 20 mg of ferrous elemental Iron and 100 µg of Folic Acid.) (To be labelled as per Schedule V)	10 x 10	
246	Iron Folic Acid Tablets IP (Large) Red (Each enteric coated tablets contains (i) Dried Ferrous sulphate IP equivalent to ferrous iron 100mg or 60mg (ii) Folic acid IP 0.5mg Red	10 x 10	
247	Iron Folic Acid Tablets IP (Large) Indigo Carmine (Each enteric coated tablets contains (i) Dried Ferrous sulphate IP equivalent to ferrous iron 100mg or 60mg (ii) Folic acid IP 0.5mg Indigo Carmine, 200mg+0.4mg	10 x 10	
248	Iron Sucrose Injection (20 mg/ml(For IV use) Each ml contain: Ferric Hydroxide in complex with sucrose equivalent to elemental Iron 20 mg)	5 ml Ampoule (Amber Colour)	
249	Isoflurane Inhalation 99.99% w/w	250 ml Bottle	
250	Isoflurane Tablets	10x10	
251	Isoniazide Tablet 100mg	10x10	
252	Isoniazide Tablet 300mg	10x10	
253	Isosorbide Dinitrate Tablets (sublingual) IP 5mg	10 x 10	
254	Isosorbide Mononitrate Tablets IP 10mg	10 x 10	
255	Isosorbide Mononitrate Tablets IP 20mg	10 x 10	
256	Kanamycin Injection 500mg, 1000mg	Vial	
257	Ketamine Hydrochloride Injection IP 50mg/ml, 10mg/ml	2 mL Vial, 10ml amp.	
258	Labetolol Injection 5mg/ml	4 ml Amp.	

259	Labetolol Tablets IP 100mg	10x10	
260	Lactulose solution 10 gm/15ml	100 ml	
261	Letrozole Tablets 2.5mg	10x10	
262	Levetiracetam Injection 500mg	5 ml vial	
263	Levo- salbutamol (Nebulizer Solution)		
264	Levo- salbutamol Inhalation Solution (Each 2.5 ml contains Levo Salbutamol Sulphate solution 1.25mg)	2.5 ml	
265	Levo- salbutamol Syrup 1mg/5ml	60 ml	
266	Levo- salbutamol Tablet 2mg	10x10	
267	Levocetirizine Dihydrochloride Syrup (Each 5 ml contains: Levocetirizine Dihydrochloride IP 2.5 mg)	30 mL Bottle	
268	Levocetirizine Dihydrochloride Tablets IP 5mg	10x10	
269	Levofloxacin Injection 500mg	20 ml Vial	
270	Levofloxacin Tablet 250mg	10x10	
271	Levofloxacin Tablet 500mg	10x10	
272	Levofloxacin Tablet 750mg	10x10	
273	Light Cure Composite, Kit	Kit	
274	Lignocaine Gel IP 2% w/v, 5% w/v	30 gm Tube	
275	Lignocaine HCL (Lidocaine) Ointment 5% w/v	10 gm Tube	
276	Lignocaine Hydrochloride (Lidocaine) & Dextrose (Heavy) Injection	Lignocaine 50mg+75mg Dextrose/ml 25ml	
277	Lignocaine Hydrochloride 20mg and Adrenaline Bitartrate 0.01mg Injection IP	30 ml vial	
278	Lignocaine Hydrochloride Injection IP 1% & 2% w/v	30 mL Vial	
279	Linezolid Injection 2mg/ml	300 ml	
280	Linezolid Tablet IP 600mg	10x10	
281	Loperamide Tablet 2mg	2 mg	

282	Lopinavir +Ritonavir Syrup (80/20mg/ml) 160ml	(80/20mg/ml) 160ml	
283	Lorazepam Injection IP 2mg/ml	2 mL Vial	
284	Lorazepam IP Tablets 1mg, 2mg	10x10	
285	Magnesium Sulphate Injection IP 500mg/ml	5 mL Amp.	
286	Mannitol Injection IP 20% w/v	100 mL Bottle	
287	Mefenamic Acid Capsules IP 500mg, 250mg,	10 x 10	
288	Mephentermine IP Injection 15mg/ml, 30mg/ml	Ampoule/vial	
289	Meropenem Dry Powder for Injection IP 1000mg	Vial	
290	Meropenem Dry Powder for Injection IP 250mg	Vial	
291	Meropenem Dry Powder for Injection IP 500mg	Vial	
292	Mesna Injection 100mg/ml	100mg/ml	
293	Metformin Tablets IP 500mg	10x10

453	Vitamin B Complex Capsule Thiamine mononitrate IP 10mg+ Riboflavin IP 10mg+ Pyridoxin HCL IP 3mg+Vit. B12 IP 15mg+Niacinamide IP 100mg+Calcium pantothenate USP 50mg+Folic Acid IP 1.5mg+Biotin USP 100mcg+Ascorbic Acid IP 150mg	10x10	
454	Vitamin B12 (Cyanocobalamine) Tablet 1500 µg	10x10	
455	Vitamin B6 (Pyridoxine HCL) Tablet 100mg	10x10	
456	Ascorbic Acid (Vitamin C) Tablet 500mg	10x10	
457	Vitamin K1 Injection 1mg/ml	1ml Ampoule	
458	Warfarin Sodium Tablet IP 2mg	10x10	
459	Warfarin Sodium Tablet IP 5mg	10x10	
460	Wax Solvent Ear Drop	as per Requirement	
461	Whole Blood Finger Prick Kits test for HIV	As per Tender Specifications	
462	Xylometazoline Nasal Drop 0.1% w/v	0.1% w/v	
463	Zinc sulphate Dispersible Tablets IP 20 mg	10 x 14	
464	Zinc Sulphate Oral Solution IP 20mg/5ml	100 ml Bottle	
465	Zoledronic Acid Injection/Infusion	5mg/100 ml bottle	

List of Surgical and other items for Analysis

Sl. No.	Surgical and other Items Name	Specification	Samples Analysis facility (Yes or No)
1	1.7 ml Eppendorf Tubes		
2	3 Ply/Layer Face Mask	Fabric:- Melt Blown, Non-Woven fabric, Construction:- 3 ply type construction, Colour: Blue, Sealing: No loose sealing, Size:- Not less than 17mx09cm, Tying straps:- 4 nos., Filtration efficiency:- not less than 99% for 3-micron particle size, Nose Clip:- Plastic coated rust proof nose clip, Must have ISO-22609:2004 and CE/GMP certification.	
3	5% Sodium Hypo Chlorite Solution	30% w/w	
4	A.D. Syringe - 5cc & All sizes	5cc & all sizes	
5	A.D. Syringe/Syringe Disposable - 10cc	10cc	
6	A.D. Syringe/Syringe Disposable - 20cc	20cc	
7	A.D. Syringe/Syringe Disposable - 2cc	2cc	
8	A.D. Syringe/Syringe Disposable - 3cc	3cc	
9	A.D. Syringe/Syringe Disposable- 50cc	50cc	
10	Absorbent Gauze	20 metre x 90 cm	
11	Adhesive paper tape	1.25X9 mtrs.	
12	Adhesive Tape	5cmx10 metre	
13	Adhesive Tape	7.5cm x 10 metre	
14	Adhesive Tapes 4	(Paper Adhesive Plaster 4 X 9.0 mts (with cutter) Non woven adhesive tape)	
15	Adhesive Tapes 6	(Paper Adhesive Plaster 6 X 9.0 mts (with cutter) Non woven adhesive tape)	

16	ADK Drain - 20	20	
17	ADK Drain - 24	24	
18	ADK Drain - 28	28	
19	ADK Drain - 32 & All sizes	32	
20	Alcohol Swabs	No. Swabs	
21	Antisera A (Monoclonal, IgM)- 10ml Vial, surgical appliance	10ml vial	
22	Antisera B (Monoclonal, IgM)- 10ml Vial, surgical appliance	10ml vial	
23	Antisera D (Monoclonal, IgM)- 10ml Vial, surgical appliance	10ml vial	
24	Antisera D (Monoclonal, IgM+IgG Blend)- 10ml Vial, surgical appliance	10ml vial	
25	Auto disable Lancet 100 Nos per pack	Each Piece	
26	Auto Disable Lancets	As per Govt. of India norms/Guidelines.	
27	B.P. Blade - No. 24 & All sizes	Surgical Blade, Sterile No -24, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
28	B.P. Blade – Assorted Sizes 10	Surgical Blade, Sterile No -10, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
29	B.P. Blade Assorted Sizes 12	Surgical Blade, Sterile No -12, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
30	B.P. Blade Assorted Sizes 20	Surgical Blade, Sterile No -20, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade	

		shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
31	B.P. Blade Assorted Sizes 21	Surgical Blade, Sterile No -21, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
32	B.P. Blade Assorted Sizes 22	Surgical Blade, Sterile No -22, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
33	B.P. Blade Assorted Sizes 23	Surgical Blade, Sterile No -23, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
34	B.P. Blade - Assorted Sizes 11	Surgical Blade, Sterile No -11, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
35	B.P. Blade - Assorted Sizes 15	Surgical Blade, Sterile No -15, Single peel pack in metal foil. The tip of the blade should be well defined, central and sharp. There shall be no waviness, jags, feathers, nicks, or other defects in the cutting edge. The surfaces of the blade shall be smooth and free from tool marks and sign of corrosion. Should conform to ISI 3319	
36	B.T. Set - Surgical	Surgical	
37	Baby feeding spoon		
38	Bandage Cloth (20 metre x 90 cm)	20 metre x 90 cm	

39	Bandage Than 18 mtrs x 100cm	100% Cotton. Fabric of Plain Weaved of Various Length and Width. Should be in Than form of 18 m x 100cm	
40	Bandage Than 9 mtrs x 100cm	100% Cotton. Fabric of Plain Weaved of Various Length and Width. Should be in Than form of 9 m x 100cm	
41	Black Braided Silk 1	(Sterile, Length 2 X 75 cm (Pre-Cut Pre-Sterilized) with CE certification.)	
42	Black Braided Silk 1/0	(Sterile, Length 2 X 75 cm (Pre-Cut Pre-Sterilized) with CE certification.)	
43	Black Braided silk- 1 - 1 (1/2 circle round body, 30-38mm Needle, 75-90cm Suture)	1 (1/2 circle round body, 30-38mm Needle, 75-90cm Suture)	
44	Black Braided silk- 1/0 - 1/0 (1/2 circle round body, 30mm Needle, 76cm Suture)	1/0 (1/2 circle round body, 30mm Needle, 76cm Suture)	
45	Black Braided silk- 1/0 - 1/0 (3/8 circle round body, 40mm Needle, 76cm Suture)	1/0 (3/8 circle round body, 40mm Needle, 76cm Suture)	
46	Bleaching Powder (Chlorinated lime powder)	25 kg packet	
47	Blood Transfusion Set with Filter 170 Micron	The soft Kink resistance, translucent tubing is prepared from medical grade PVC material, double drip clearly visible chamber facilitate visual access and rapid adjustment of fluid level. Specially design roller controller offer accurate regulation of infusion rate with self sealing latex bulb to avoid any contamination and Easy flushing. Length 150 cm.	
48	Carbolic acid (phenol) 1 x 500 gm, packet	1 x 500 gm, packet	
49	Catgut Chromic - No.-1 (With needle) (40mm Needle 76cm Suture)	No.-1 (With needle) (40mm Needle 76cm Suture)	
50	Catgut Chromic - No.-1 (With needle) (45mm Needle 100cm Suture)	No.-1 (With needle) (45mm Needle 100cm Suture)	

51	Catgut Chromic - No.-1 (With needle) (45mm Needle 76cm Suture)	No.-1 (With needle) (45mm Needle 76cm Suture)	
52	Catgut Chromic with needle 2-0	(Absorbable Length 70-90 cm, 1/2 circle round body with 30 mm needle.)	
53	Catgut Chromic with needle 1	(Absorbable Length 70-90 cm, 1/2 circular round body with 34-40 mm needle)	
54	Catgut Chromic with needle 1-0	(Absorbable Length 70-90 cm, 1/2 circle round body with 34-40 mm needle.)	
55	Catgut Chromic with needle 3-0	(Absorbable Length 70-90 cm, 1/2 circle round body with 20 mm needle.)	
56	Catgut Plane with Needle Size 0	(Absorbable needled suture 152 cm ,1/2 circle round body with needle 30 mm)	
57	Catgut plane with needle Size "2"	Absorbable needled suture 152 cm,1/2 circle round body with needle 30 mm	
58	Catgut Plane with Needle Size "1"	Size "1"	
59	Central Venous Cathetar Central Line- Monoluminal, Adult use	Monoluminal, Adult Use	
60	Central Venous Cathetar Central Line- Monoluminal, Paediatric use	Monoluminal, paediatric Use	
61	Central Venous Cathetar Central Line- Triluminal, Paediatric Use	Triluminal, Paediatric Use	
62	Central Venous Cathetar Central Line- Biluminal, Adult use	Biluminal, Adult use	
63	Central Venous Cathetar Central Line- Triluminal, Adult Use	Triluminal, Adult Use	
64	Central Venous Catheter Central Line- Biluminal, Paediatric	Central Venous Catheter biluminal,Paediatric Use, Radio-opaque polyurethane catheter, with soft tip, length markings, junction hub for stitch fixation and fully transparent extension lines, with color-coded hub and white slide clamps. Components Kink-proof guide wire with "J" tip and straight tip on dispenser, movable fixation wing with clamp, introducer needle, scalpel, dilator, valve, 5 ml luer lock syringe) (depending on set configuration)	

65	Cetrimide Solution	2% w/v, 5 litre containers	
66	Cetrimide Solution (2 % w/v,1000 ml)	NA	
67	Chest Tube No.- 24	(Made up of Biocompatible, non-Toxic PVC, proximal end fitted with tapered tongue connector and open, distal end, smoothly finished large eyes for efficient drainage, Graduated at 2 cm intervals from the beginning of eyes length 45 cm.)	
68	Chest Tube No.- 28	(Made up of Biocompatible, non-Toxic PVC, proximal end fitted with tapered tongue connector and open, distal end, smoothly finished large eyes for efficient drainage, Graduated at 2 cm intervals from the beginning of eyes length 45 cm.)	
69	Chest Tube No.- 32 & All sizes	Made up of Biocompatible, non-Toxic PVC, proximal end fitted with tapered tongue connector and open, distal end, smoothly finished large eyes for efficient drainage, Graduated at 2 cm intervals from the beginning of eyes length 45 cm.)	
70	Chlorinated Lime Powder (30% w/w)	Lotion
