NOTICE

Investor Consultation Workshop Notification

Operation, Maintenance and Management of Brownfield Medical Colleges and Hospitals on Public Private Partnership Mode in Bihar.

Bihar Medical Services & Infrastructure Corporation Limited, Government of Bihar proposes to explore Public Private Partnership (PPP) models for establishment, development, operation and management of Brownfield Medical Colleges and Hospitals in the State. The proposed initiative aims to leverage private sector investment, expertise and operational efficiency to strengthen medical education and healthcare infrastructure.

An Investor Consultation Workshop is proposed for the organisations who submitted their Expression of Interest in response against Request for Expression of Interest (REoI) uploaded on BMSICL site. (<http://bmsicl.gov.in>)

The workshop will seek participants' views and recommendations on suitable PPP structures, project viability, risk allocation, regulatory requirements, and the proposed implementation framework.

Workshop Details

Date: 15.09.2026

Time: 11:30 AM

Venue: Chanakya Hotel, Bir Chand Patel Marg, opposite Rabindra Bhawan, R-Block, Patna, Bihar – 800001

Eligible organisations are requested to nominate up to two representative(s) for participation in the workshop and submit their nomination in the prescribed format including name, designation, organisation name, mobile number and email address of the nominated participant(s) uploaded on BMSICL site. (<http://bmsicl.gov.in>)

Confirmation of participation may be sent by email to pppmchbmsicl@gmail.com latest by 14.09.2026 until 1:00 PM.

The consultation is non-binding in nature and is intended solely for obtaining market feedback and stakeholder input. It shall not be construed as an invitation to bid, tender notice, or commitment on the part of the Government of Bihar or any of its agencies to proceed with any specific procurement process. The Government reserves the right to modify, defer, cancel, or proceed with the proposed initiative at its discretion.

For any query, please contact - 9836687770, during office hours on working days.

1. Disclaimer

The information contained in this Request for Expression of Interest (REoI) document, whether provided verbally, in documentary form or otherwise by or on behalf of Bihar Medical Services and Infrastructure Corporation Limited (BMSICL), acting on behalf of the Health Department, Government of Bihar (the “**Authority**”), or its employees or advisors, is provided to each prospective applicant on the terms and conditions set out in this REoI and such other conditions subject to which such information is provided. For the purposes of this REoI, “**Applicant**” means a single legal entity or a consortium of legal entities submitting an Expression of Interest in response to this REoI; “**Selected Private Operator**” means the entity selected through the subsequent competitive procurement process to implement the Project under the proposed Public Private Partnership arrangement; and “**Project**” means the proposed operation, maintenance and management of the identified brownfield Medical Colleges and Hospitals in Bihar through Public Private Partnership.

This REoI is not an agreement and is neither an offer nor an invitation by the Authority to prospective Applicants or any other person. Its purpose is to provide Applicants with information that may be useful in preparing and submitting their Expressions of Interest. Submission of an Expression of Interest, participation in consultations or receipt of any communication from the Authority shall not create any right or legitimate expectation of shortlisting, pre-qualification, participation in any subsequent procurement process or award of the Project.

This REoI may include statements that reflect assumptions and assessments made by the Authority in relation to the Project. Such assumptions, assessments and statements do not purport to contain all information that an Applicant may require. Each Applicant should conduct its own investigation and analysis, verify the accuracy, adequacy, correctness, reliability and completeness of the information contained in this REoI, and obtain independent advice from appropriate sources.

Information provided in this REoI may involve matters of legal interpretation. It is not intended to be an exhaustive account of statutory requirements and should not be regarded as a complete or authoritative statement of law. The Authority accepts no responsibility for the accuracy of any interpretation or opinion on law expressed herein.

The Authority, its employees and advisors make no representation or warranty and shall have no liability to any person, including any Applicant, for any loss, damages, cost or expense arising from or incurred on account of anything contained in this REoI or otherwise, including the accuracy, adequacy, correctness, completeness or reliability of the information contained herein.

The Project particulars, facility status, construction progress, asset or equipment details, anticipated timelines, proposed scope and other information contained in this REoI are indicative and may change. The Authority shall not be responsible for any variation between the information stated in this REoI and the position existing at a relevant Project site or at the time of any subsequent procurement process.

The Authority may, at its absolute discretion and without being under any obligation to do so, update, amend or supplement the information, assessments or assumptions contained in this REoI.

The issue of this REoI does not imply that the Authority is bound to shortlist an Applicant or appoint a Selected Private Operator for the Project. The Authority reserves the right to reject any or all Expressions of Interest without assigning any reason whatsoever.

Each Applicant shall bear all costs associated with or relating to the preparation and submission of its Expression of Interest, including preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations that may be required, and any other costs incurred in connection with its submission.

The competent courts at Patna shall have jurisdiction over all disputes arising under, pursuant to and/or in connection with the application process and this REoI.

This REoI constitutes an invitation to submit an Expression of Interest for possible participation in a subsequent pre-qualification and procurement process for the Project. It does not constitute a solicitation to invest, participate in or pre-qualify for the Project. The Authority reserves the right not to proceed with any Applicant, at its discretion, and to invite additional Applicants to participate in any subsequent pre-qualification or procurement process.

2. Introduction

The Health Department, Government of Bihar, is responsible for policy decisions and implementation in the domain of public health services and health systems in the State of Bihar. The Department is committed to making quality healthcare facilities available to citizens, including in the remotest parts of the State, and to improving health outcomes through strengthened infrastructure, human resources, logistics and service delivery systems.

Bihar Medical Services and Infrastructure Corporation Limited (BMSICL) is a Government of Bihar undertaking established to support the Health Department in strengthening the State's public healthcare system. BMSICL serves as a key implementing agency for the planning, development, procurement, construction, upgrading and management support of healthcare infrastructure and related services across Bihar. Its responsibilities include development of medical colleges, hospitals and allied health facilities; procurement and supply of medical equipment and other healthcare requirements; and implementation of strategic projects and initiatives aimed at improving the availability, quality and efficiency of public health infrastructure and service delivery in the State.

On behalf of the Health Department, the Authority is inviting Expressions of Interest from domestic and/or international Applicants interested in the operation, maintenance and management of the Project through a long-term Public Private Partnership arrangement. The Selected Private Operator will be appointed through a competitive procurement process approved by the competent authority.

3. Brief Scope

The Authority is seeking Expressions of Interest from Applicants for the operation, maintenance and management of Brownfield Medical Colleges and Hospitals in Bihar through Public Private Partnership mode.

An Applicant, whether a single legal entity or a consortium of legal entities up to 6 members, must have experience in managing at least one medical college with an annual intake of 50 Bachelor of Medicine and Bachelor of Surgery (MBBS) students or at least one 300-bed hospital or two hospitals with cumulative capacity of 400 bed with accredited by the National Accreditation Board for Hospitals & Healthcare Providers (NABH).

The Project is intended to strengthen access to affordable and reliable tertiary healthcare services and augment facilities for quality medical education and specialist services in accordance with the guidelines of the National Medical Commission (NMC) in the State.

There is a total of 16 Brownfield locations with Medical Colleges and Hospitals (MCHs)/Dental College identified for this purpose in Bihar. The brief details of the MCHs/dental college that have been proposed under this REoI are given under **Annexure V**. Details such as bed strength, built-up area, floor configuration, clinical specialties, and proposed phasing shall be finalized and included in the Request for Proposal (RFP) or other subsequent bid documents.

Under the proposed PPP arrangement, the Selected Private Operator would be responsible for the operation, maintenance and management of the MCHs; delivery of clinical services; recruitment of doctors, nurses and other healthcare professionals; provision of additional medical equipment, consumables and pharmaceuticals necessary for clinical service delivery; and augmentation required to comply with NMC guidelines. The Selected Private Operator would also provide medical education in accordance with NMC guidelines and other applicable statutory requirements.

The size of the facility, implementation plan, phased operationalization, service obligations, performance standards, payment structure and other relevant details of the PPP structure will be determined and included in the RFP for the Project. The facilities shall be transferred back to the Government at the end of the project period, subject to the terms of the agreement.

4. List of Documents

Applicants shall submit their Expressions of Interest in accordance with the REoI timelines and provide the following documents:

SN	Documents to be submitted
1.	A covering letter expressly stating the Applicant's interest in the Project, in the format given in Annexure I .
2.	A brief description of the Applicant and, where applicable, its group entities and consortium members up to six members , together with details of their activities, in accordance with Annexures II and III .
3.	Copies of the Certificate of Incorporation or Registration, trust deed or society registration certificate, as applicable, Goods and Services Tax (GST) registration certificate, and Permanent Account Number (PAN) card.
4.	The Applicant's financial statements for the last three financial years (FY 2023-24, FY2024-25 & FY 2025-26) and a net worth certificate, in the format given in Annexure IV . <i>Note: In case where audited results for the last financial year is not available, provisional/ unaudited financial statement certified by a practicing Chartered Accountant may be submitted.)</i>
5.	A list of relevant certificates, such as JCI (Joint Commission International) accreditation, NABH (National Accreditation Board for Hospitals & Healthcare Providers) accreditation, ISO certifications, etc., if applicable.
6.	For an international Applicant, a brief description, not exceeding one page of its current presence and/or involvement in India, if any.
7.	Name of contact person and contact details.

Applicants should familiarise themselves with all applicable legal, regulatory and statutory requirements and take them into account while preparing their Expressions of Interest. Each Applicant shall bear all costs associated with the preparation and submission of its Expression of Interest.

5. Submission

The EoI shall be signed by the authorized signatory of the Applicant. The Applicant's byelaws/declaration authorizing the person to act as the authorized signatory may be appended. The interested and eligible Applicant may submit their application to the Email ID: pppmchbmsicl@gmail.com . No application shall be entertained after the due date of submission of application.

Investor Consultation: A workshop for investor consultation will be organised for eligible Applicants whose applications are received on or before the submission deadline. Organisations that are ineligible or have not submitted an application by the due date will not be permitted to participate in the investor consultation.

The EoI submission shall include all documents listed in Clause 4 above, and any additional formats or undertakings prescribed by the BMSICL, Government of Bihar.

6. General Terms and Conditions

The Authority reserves the right to accept or reject any Expression of Interest, cancel the REoI process and reject all Expressions of Interest at any time before appointment of the Selected Private Operator, without incurring any liability to affected Applicants or any obligation to inform them of the grounds for the Authority's actions.

The Authority may amend, modify, supplement or withdraw this REoI, in whole or in part, at any stage. Any such change may be uploaded on the relevant Government website or portal or communicated through any other mode deemed appropriate by the Authority.

Any attempt by an organisation or Applicant, directly or indirectly, to influence the Authority in connection with the REoI process, any subsequent bidding process, or any decision relating to the award of a contract may result in rejection of the relevant application or bid.

Conflict of Interest

An Applicant shall not have a conflict of interest that affects the REoI process or the Project. An Applicant found to have such a conflict of interest shall be disqualified.

Fraud and Corrupt Practices

Each Applicant and its officers, employees, agents and advisors shall observe the highest standards of ethics during the REoI process and any subsequent procurement process. Notwithstanding anything to the contrary contained herein, the Authority may reject an Expression of Interest or withdraw or terminate the relevant process, without being liable in any manner whatsoever to the Applicant, if it determines that the Applicant has, directly or indirectly or through an agent, engaged in corrupt, fraudulent, coercive, undesirable or restrictive practices. Appropriate action may also be taken against the Applicant under applicable law.

Confidentiality

Each Applicant shall treat all information provided to it, or otherwise obtained by it, in connection with this REoI as confidential and shall not use such information, in whole or in part, for any purpose other than preparing its Expression of Interest without the prior written approval of the Authority.

All applicants shall be responsible for ensuring that their submissions comply with applicable laws, rules, regulations, statutory requirements, and instructions issued by the competent authority from time to time.

Part B – Short Project Information Memorandum

1. Mahua Medical College & Hospital, Vaishali

Project Information	Details
Project Name	Mahua Medical College & Hospital, Vaishali
Site Area	20 Acres (80,937 sqm)
Total Built-up Area	125,328 sqm
Medical College Capacity	100 MBBS admissions per annum
Hospital Capacity	500 beds
Nursing College Intake	40–60 students per annum
Project Cost	Approx. ₹701 crore
Current Status	~94% physical progress (July 2026)
Location	Mahua, Vaishali District, Bihar, along SH-49 https://maps.app.goo.gl/j8GMKwBa7C8RLHi36

The Government Medical College & Hospital, Mahua is being developed as an integrated healthcare and medical education campus comprising hospital, academic, nursing, residential and support facilities across a 20-acre site in Vaishali district. Located on SH-49, the site benefits from good regional connectivity with Jay Prakash Narayan International Airport, Patna (55 km) and is positioned as a major healthcare and medical education hub for North Bihar. The development includes dedicated academic, healthcare, residential and utility zones with sufficient land available within the campus for future expansion and capacity augmentation.

The hospital is designed for tertiary care delivery with dedicated facilities including emergency and trauma care, outpatient departments, diagnostic and radiology services, blood bank, pharmacy, critical care units, operation theatres, labor complex, ward facilities, CSSD, kitchen, laundry and mortuary services. Both hospital and academic buildings have been provided with a centralized AC system.

The medical and nursing colleges are supported by a central library, auditorium, research and teaching laboratories, and facilities compliant with NMC regulatory requirements.

Component	Built-up Area (sqm)	Configuration	Physical Progress, %	Remark
Hospital Block	49,152	B+G+5	89	Finishing works ongoing
Academic Block	22,373	G+6	95	False ceiling, firefighting, HVAC, and other finishing works in progress
B.Sc. Nursing College & Hostel	7,437	G+6	97	Painting and other finishing works in progress
Boys Hostel (396 Beds)	9,813	G+9		Firefighting and other finishing works in progress
Girls Hostel (260 Beds)	6,544	G+9		Painting and other finishing works in progress
Intern Boys & Girls Hostels	5,012	G+6/G+5		Painting and electrical works in progress
Junior Resident Hostel (112 Beds)	3,803	G+7		
Nurses' Hostel (49 Beds)	1,547	G+3		
Staff Housing & Residences	7,467	G+4/G+6		
Shopping, Recreation & Dharamshala	2,162	G+2		
Electrical Substation (ESS), Sewage Treatment Plant (STP) & Utility Infrastructure	1,800	-	96	Painting, electrical and equipment installation works in progress

The project has achieved approximately 94% physical progress with structural works substantially completed across all major buildings. Finishing activities, HVAC installation, electrical works, plumbing, fire-fighting systems, façade works and commissioning are in advanced stages.

Accommodation includes hostels for students, interns, junior residents and nursing staff, along with faculty and administrative housing, recreational facilities and a Dharamshala for visitors.

The campus is supported by comprehensive utilities including electrical substations, DG backup systems (500 kVA and 250 kVA), water storage and treatment facilities, STP, and biomedical waste management facilities. Advanced building services include centralized HVAC, CCTV surveillance, access control systems and Building Management Systems (BMS) for efficient operations. The campus has vacant land behind the hospital block for future expansion (approximately 4,500 sqm).

The facility incorporates solar water heating, rainwater harvesting, wastewater recycling and energy-efficient building systems, ensuring long-term operational resilience and future scalability within a modern healthcare campus framework.

The project is nearing completion and offers immediate potential for phased operationalization while supporting future expansion opportunities within the campus.

2. Ara Medical College & Hospital, Bhojpur

Project Information	Details
Project Name	Ara Medical College & Hospital, Bhojpur
Site Area	Approx. 25 Acres (101,172 sqm)
Total Built-up Area	Approx. 125,336 sqm
Medical College Capacity	100 MBBS admissions per annum
Hospital Capacity	500-bed teaching hospital
Nursing College Intake	40–60 students per annum
Project Cost	Approx. ₹735 crore
Current Status	~89% overall physical progress (July 2026); construction nearing completion
Location	Veer Kunwar Singh Medical College and Hospital, Arrah, Bhojpur, Bihar https://maps.app.goo.gl/tnqraZuCsC5vLfqn8

A large-scale integrated healthcare and medical education campus located within Kunwar Singh University campus in Bhojpur, spanning approximately 25 acres with 125,336 sqm of built-up area. Designed as a major tertiary healthcare and medical education hub serving Bhojpur and neighboring districts.

The hospital is strategically positioned in a prime location offering excellent regional connectivity and accessibility. Excellent railway connectivity via Ara Junction Railway Station. Site is located on Saisar Arrah road (north) with railway track access (west). Jay Prakash Narayan International Airport, Patna (60-70 km) provides regional air connectivity. A proposed regional airport at Bhabua (Kaimur district) will further enhance air accessibility.

Comprehensive clinical infrastructure including operation theatre complexes, emergency and diagnostic facilities, critical care units, medical imaging, blood bank, pharmacy, central laboratories and teaching spaces integrated with the hospital environment. Additionally, a 100-bed critical care block (CCB) is under construction within the campus and would be handed over upon completion to the private partner.

Component	Built-up Area (sqm)	Configuration	Physical Progress, %	Remark
Hospital Block (500 Beds)	52,374	B+G+6	80	External glazing, flooring (5 th & 6 th), internal painting (4 th), UPVC window/partition, fabrication, plumbing, CP & sanitary (4 th), MEP, HVAC, firefighting, panel installation ongoing
Academic Block (100 Admissions)	21,194	G+5	90	Internal/external painting, structural glazing, CP & sanitary, false ceiling, MEP (electrical, HVAC, fire, MGPS up to 5 th), lift installation ongoing
Boys Hostel (252 Beds)	12,745	G+7	85	Finishing & plumbing work ongoing
B.Sc. Nursing College	11,032	G+5		
Staff Residences (Type I to V)	9,788	G+5 /G+7	90	Internal/external painting, CP & sanitary ongoing
BSc. Nursing College	8,204	G+7	98	Furniture installation, structural glazing, CP & sanitary, finishing work ongoing.
Nurses Hostel	3,162	G+5	85	Internal/external painting, combined window, CP & sanitary, electrical work ongoing

Component	Built-up Area (sqm)	Configuration	Physical Progress, %	Remark
Dharamshala & Shopping Complex	2,362	G+3	95	External painting, OHT waterproofing, hybrid solar system ongoing
Dining/Mess Block (480 seats)	1,756	G+1	90	Finishing work ongoing
Principal /Superintendent / guest house	1,494	G+1	98	GH external painting, hybrid solar system ongoing
Utility & ESS Buildings - WTP – 400 KLD, STP – 500 KLD, ETP – 70 KLD	1,260	G	85	Civil works are completed. Certain equipment installation ongoing

Academic building features lecture theatres, library, auditorium, laboratories, museums and anatomy facilities, along with all mandatory teaching departments required under NMC norms. Dedicated B.Sc. nursing education and training facilities. Both hospital and academic buildings have been provided with a centralized AC system. Hostels for students, interns, resident doctors and nurses; faculty and staff housing; Principal and Superintendent residences; dining facilities; shopping amenities and Dharamshala accommodation are provided.

Master plan provides ample open land for additional healthcare infrastructure development. Solar water heating, rainwater harvesting and recycling treated wastewater. RCC framed structures with raft foundations and seismic-resistant design ensure operational resilience and scalability. Centralized HVAC systems, fire safety systems, electrical distribution, water / waste treatment facilities, medical gas infrastructure, DG backup (1 x 1000 kVA and 2 x 500 kVA), CCTV surveillance.

The project is at an advanced stage of development and offers immediate potential for phased operationalization while supporting future expansion opportunities within the campus.
