3	M/s Cipla Limited	We would request you to do the necessary amendments as specified in detailed below, which is also market the standard in terms of composition, specification and pack size:		
		Tender Sl. No. 21 (Acyclovir 400 mg, 10x10) Requesting for per TAB	NIT S.N. 21:- Acyclovir Tablet 400 mg 10 x 10	Omitted from Floated product list. Please refer Annexure- B.
		Tender Sl. No. 19 (Beclomethasone 100 Mcg/ 200 MDI) Requesting for Beclomethasone 200 mcg/ 200 MDI Pack, as this is the only available standard composition and pack size which can also be verified from the market.	NIT S.N. 19:- Beclomethasone inhaler 100µg/dose 200 Metered Dose Inhaler	Please refer Annexure- B.
		Tender Sl. No. 39 (Salbutamol + Ipratropium solution 5+ 500 mg, 2.5 ml Respules)Requested for Ipratropium Bromide (Anhydrous) 500 mcg + Levosalbutamol 1.25 mg as this is the only available standard composition available in the market.	NIT S.N. 39:- Salbutamol + Ipratropium Solution 5mg + 500µg (5 mg + 500 µg/ml) 2.5 ml Respules	Please refer Annexure- B.
		Tender Sl. No. 36 (Levofloxacin 500 mg Inj.) 20 ml vial Requesting for Levofloxacin 5 mg/ ml in 100 ml pack size as this is the only available standard pack size in the market.	NIT S.N. 36:- Levofloxacin Injection 500mg 20 ml Vial	Please refer Annexure- B.

4	M/s Vins Bioproducts	<p>Under Annexure- I- List of Drugs to be tendered (tendered product list), page no.- 29, at sl. No. 14, Anti Rabies Serum is mentioned. The dosage form is injection and the pack size is a Vial. However, under the column specification/strength, it has been mentioned as 5000 IU/ 2ml. Anti Rabies Serum injection is available at a strength of 300 IU/ml in India. There is no formulation available anywhere, at the strength of 5000 IU/ 2 ml. Subsequent to the previous tender of your state, the P.O. had clearly mentioned the strength as 300 IU/ml and packaging of 5ml. Even in the Indian Pharmacopeia, the strength of Rabies anti serum is mentioned as 300 IU/ ml). Tender document of other states like Kerala, Odisha and Telangana have also mentioned the strength of Anti Rabies Serum as 300 IU/ml</p> <p>NCDC, Delhi, in its latest guidelines on Rabies Prophylaxis has also mentioned the strength as 1500 IU/5 ml (and 1000 IU/5 ml).</p> <p>WHO in its technical report series on Rabies 1012 has also mentioned the strength as 300 IU/ml or 200 IU/ml. We request you to kindly rectify the inadvertent/ typographical mistake of 5000 IU/2 ml and mention the specification of this product (anti Rabies Serum) as 300 IU/ml in the tender document and process the tender accordingly.</p>	NIT S.N. 14:- Anti Rabies Serum 5000IU/2ml Injection Vial	Please refer Annexure- B.
5	M/s Synokem Pharmaceuticals Ltd.	<p>Regarding the performance Statement (with proof of copy of supply orders) Annexure IX:</p> <p>As per the minimum eligibility criteria given on page no. 4 & technical eligibility criteria given on page no. 36, nowhere it is mentioned that the submission of performance statement (Annexure IX) will be considered as one of the criteria and needs to be submitted in Technical bid, but sir the format is inserted in the</p>	Performance Statement (Annexure- IX)	As this statement is in the form of self declaration from the bidder and requires no certification from any government

		tender set which is a bit confusing that whether it is to be submitted with the Technical bid or only documents to be submitted as per the Checklist has to be.		authority, the bidders should not face any difficulty in submitting this statement. Hence no change.
		Regarding the Supply Schedules: The supply schedule given in the tender says that a maximum of 25 days of time will be given to supply the 100% quantity and beyond the 25th day penalty @1%, max up to 20% will be charged. But sir, practically with in such a short span of time of 25 days it is not possible to procure the RM, manufacture the goods, packing and further supplying to the different warehouses of the state. This may please be noted that the Raw Material (RM) procurement with its Testing and simultaneously arranging the packing material itself takes a time of 15-20 days and further the manufacturing & testing of finish goods and their packing arrangement takes at least another 15-20 days time. Then finally dispatching and completing the supplies at different warehouses takes at least another 10-15 days of time. Hence a minimum of 45-60 days are required to successfully supplying and delivering the stocks at various warehouses. Therefore, we request your kind self to amend the delivery schedule from 25 days to a minimum of 60 days to enable the participation of maximum bidders.	Clause 21 Schedule of purchase order and Supply of MEDICAL DEVICES/ CONSUMABLE Within 15 Days: 50% Within 25 Days: 100% Within 35 Days: *Unexecuted Supply* After 25th days penalty will be @ 1 % of value of unexecuted supply order per day subject to a maximum of 20% penalty.	No change

		<p>NIT S.N. 43 (Tranexamic Acid, 50 mg/ ml, Injection, 5 ml Ampoule). Standard pack size/ Strength - 100 mg/ ml (Strength is differ)</p>	NIT S.N. 43:-Tranexamic Acid, 50 mg/ ml, Injection, 5 ml Ampoule.	Omitted from Floated product list. Please refer Annexure- B.
7	M/s Abbott India Ltd.	<p>Considering the lockdown due to COVID-19, all our office staff based at Mumbai Head Office are working from home. We are facing difficulty in arranging declaration/ affidavits requested on stamp papers and getting the same notarized. Please allow us to submit the declaration/ certificates on our letter heads with self-attestation. We can submit notarized declaration/ affidavit on stamp papers after easing of lockdown and opening of our officers for normal routine work.</p> <p>Please could you provide option of paying the tender fees and Earnest money deposit through online NEFT/RTGS. We are facing difficulty in getting physical copy from banks in form of DD/BG as bank is operating with minimum staff and Abbott office employees are working from home.</p> <p>We would submit our complete technical bid through tender portal, hence can you ease the clause of physical submission of tender bid. Can we submit the same after easing of lockdown in Mumbai.</p>	<p>Clause 3 (Note Point- ii) Hard copy of tender documents uploaded shall be submitted along with the tender fee and EMD as on or before the last day of submission of tender for purely evaluation purposes. However, the submission of hard copy of uploaded tender document submitted does not substitute/modify the provisions of e-tendering system.</p>	<p>In place of Notarised affidavits as and where required in the bid document, a bidder may submit self declaration provided he submits the proof that due to lockdown the affidavit is not possible to be notarised on a stamp paper.</p>

8	Santosh	Is Tender Fee Rs 10,000 is waived as per MSME? Is there any benefit allowed under Bihar Start-up Policy?	Clause 5 (i) Manufacturers located in Bihar will be guided by Bihar Industrial Investment Policy, 2016 for promoting industrial development in the State for the Technical Qualification, EMD and Security Deposit. Copy of the said policy may be seen on the website http://industries.bih.nic.in/ .	No Change.
