SI No	Representation of the firm M/s Remi Elektrotechnik Limited	Reply of the Firm	Remarks				
1	<p>M/s P Bhogilal Pvt Ltd has submitted the bid on Manufacturer's Authorization of M/s Mark Enterprises, whereas M/s Mark Enterprises has got a license only for the purpose of testing of the said equipment issued on 24th July, 2023. This test license is issued by CDSCO to manufacture specified quantity only for testing & validation purpose on that premises & not for further sale. This is amply clear on the license issued to M/s Mark Enterprises. Generally, it is issued to those manufacturers/importers who have not supplied, manufactured earlier & do not have data to support the same. (License of M/s Mark Enterprises is enclosed for perusal).</p> <p>In view of above, the bid of M/s P Bhogilal Pvt Ltd., submitted as an authorized distributor of M/s Mark Enterprises does not comply with Eligibility Criteria of the tender documents as mentioned in Clause No 16 "Documents Establishing Bidder's Qualification" due to following reasons.</p> <p>(i) M/s Mark Enterprises who has issued manufacturer authorization to M/s P Bhogilal is only having a permission to manufacture 1 Qty each of the quoted EQUIPMENT for the testing purpose vide license</p>	<p>This is to bring to your kind information that as per the notification G.S.R. 777€ released by MINISTRY OF HEALTH AND FAMILY WELFARE (Department of Health and Family Welfare), Dated 14th October, 2022 vid Medical Devices (Sixth Amendment) Rules, 2022, it clearly states that only REGISTRATION OF CLASS A (NON-STERILE AND NON-MEASURING) MEDICAL DEVICES in order to manufacture and sell the items. The complete notification from The Gazette of India is enclosed for your kind perusal. The item in question here falls under Class A as indicated in "General Hospital medical Devices", Item no 68 under final classification of MD. The exhibit as presented as presented as below for your kind referral.</p> <table border="1"> <tr> <td>68</td><td>Blood Bank centri fuge</td><td>Intended to separate blood component of a suspension by application of centrifugal force</td><td>A</td></tr> </table> <p>We have already registered the item in class A under license number: Marke-Nashi-MH/M/MD/016217, please refer to the exhibits (ANNEXURE A) AS BELOW FOR YOUR KIND REFERENCE.</p> <p>The purchase order No: 2202003139 Dated 21/01/2021 for Product Refrigerated Centrifuge of Qty 5, which clearly is more than 6 months as on date of bid publication. All of the products that we have submitted are working exceptionally well and satisfactorily from the date of installation. Addressing the last point about the HSN Code. It is a accounting error from customer end. Such human error happened unknowingly. The HSN Code that we mentioned is 87042211 which is the code for Lorries and Trucks: Refrigerated. This is</p>	68	Blood Bank centri fuge	Intended to separate blood component of a suspension by application of centrifugal force	A	<p>Registration certificate of of CDSCO/DCGI not submitted by manufacturer. Hence bid of the firm M/s P Bhogilal Pvt. Ltd can not considered.</p>
68	Blood Bank centri fuge	Intended to separate blood component of a suspension by application of centrifugal force	A				

	<p>issued by CDSCO as on 24th July 2023.</p> <p>(ii) Refer clause 16 (a) (b) (c) of the bid document- (Annexure D- copy of the clause enclosed for reference). Which clearly states that quoted equipment's should be in operation for 6 months as on date of Bid publication.</p> <p>The bidder has enclosed in its performance Statement order of M/s Mafatlal Industries Ltd for 5 Nos Refrigerator Centrifuge. The authenticity & validity of this order copy is itself questionable as the HSN code mentioned on the order copy is 87042211, (Annexure E- HSN code details obtained from enclosed), which is actually an HSN code for Motor Vehicles for the Transport of Goods. This needs to be clarified whether the purchase order copy submitted to support the performance of Refrigerated Centrifuge is genuine.</p>	<p>a complete accounting error, we assure you that the GST % is correct for the equipment. We have attached the undertaking from customer in Annexure B (Mafatlal Undertaking).</p>
