Comparative Chart of Pre-bid meeting of MRI Machine of TENDER NO. -BMSIC/2016-17/ME-086 (ANNEXURE-A)

S.N.	PARTICIPATING BIDDER QUERY	BMSICL TENDER CLAUSE	Amended Specification
1	In the present tender technical specification for MRI machine 1.5 T for last 3 years, needs to be modified as bidder must have experience of managing and maintaining a minimum of either CT Scan & MRI unit or one MRI machine during last one year or more instead in one or multiple centers/location continuously in the last 3 year or more years.	The service provider should have experience of operating, managing and maintaining a minimum of 1 (one) MRI machine (1.5T or more) in one or multiple centers / locations continuously in the last 3 (three years).	No Change
2	There must be facility to include additional name of test which can be performed by the recent machine and are not mention in the CGHS rate list of MRI Scan test published in tender. Details of MRI Scan test which are being performed by recent machines is attached herewith for reference.	Responsibility of Service provider a. The service provider shall be responsible for providing Diagnostics report as per the list provided below and the Equipment installed by the service provider must be suitable to perform the same. The tender will be on the basis of deliverables as provided in the Tender Document. Remarks against point no.2 as mentioned above may be referred point a to..... v. (Section -II General Instruction to Bidders 7)	No Change
3	We request you to kindly include the below technical details of the machine so as the medical colleges gets the latest & state of art technology which enables the machine to cover all the latest test nowadays referred by the clinicians which is not include in the CGH list & which is been offered by all the manufacturing companies now.	User Charges 11.1 User charges for different services rendered by the agencies will be fixed at CGHS, Patna (Non-NABH Rates) for all kinds of patients. Under no circumstances would any rate other than the approved CGHS, Patna rate, be allowed for all kinds of patients. It is implied thereby that the service provider can use diagnostic services for Government hospital referred patient as well as those referred to by private practitioners. Any patient who does not carry an OPD Card of any of the Government Health Institution of Bihar with an advice of the test from the Bihar Government Doctor shall be treated as a private patient. The receipt for user charges will be issued by the Operator to every patient. The test report to be given to the patients shall include the physical copy or a soft copy in a compact disk (if asked by the patient). 11.2 Once the service provider achieves NABMIS (NABH) accreditation for the centre, CGHS Patna NABH Rates shall be applicable for that particular center. 11.3 The selected service provider shall provide service to all the patients on first come first serve basis. Service provider to issue token on arrival of the patient and both Govt. and private patients to be treated equally. In all circumstances, preference should be given to emergency cases. The emergency status of the cases will be decided by the Doctor from Government of Bihar. 11.4 Any evidence of user charges for government patients higher than the CGHS Patna rates would be considered as a serious violation of contract drawing pecuniary fines and even termination of contract by the Medical College and Hospital after following the due process. For the first reported violation, 10% of PBG shall be encashed and in case of two incidences, the entire PBG shall be forfeited (NIT Sec.-VI General Condition of Contract 11)	No Change
